

March 5, 2024

Dear Neighbors,

We trust that our members are well and ready for warmer weather. As we approach the new club season, the Board looks forward to your presence at our **Annual Community Meeting**. At this meeting, we will review the 2023 season and discuss topics that are important to the continued success of our valuable community amenity. We invite our neighbors to become familiar with club operations and welcome your valuable input.

The Board is also excited to present our newest member to the board, Jeffrey Prince. As a lifelong member of this community and now a proud homeowner. In Jeffrey's words, "... life comes full circle, and I am thrilled to be home and hope to play an active role in continuing to build the community I was fortunate enough to grow, learn, laugh, and love with and from." We are pleased to have received his valid petition and look forward to working together.

We encourage our community to attend the following:

**Purpose:** HHSRC Annual Community Meeting

**Date:** April 17th, 2024, at 7:00 P.M.

**Location:** The Half Hollow Hills Community Library  
510 Sweet Hollow Rd. Melville

Our agenda will include the following key topics:

- Introduction of the Board
- Review of the 2023 season
- Review of Finances and dues collections, 2022 and 2023
- Anticipated Capital improvements
- Club amenities and community support
- Open forum

The members of the Board are devoted to working together to maintain the club and enhance our community. Along with our efforts, we are thankful for community volunteers, who provide advisory, as well as hands-on support.

We hope you will join us on April 17th, and we welcome your input.

Best regards,

Board Trustees
